We were formally set up in 1982 but our roots go back to April 1970, making us one of the longest surviving LGBT groups in the UK. In the 1970's the group campaigned strongly for homosexual equality; and later it was recognised to be more of an independent

support and social group covering Bristol, Bath and surrounding areas.

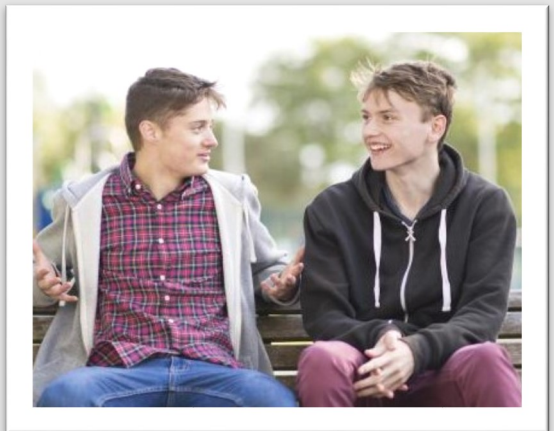

**Our Rainbow Café** was set up in January 1982 and still opens each and every Saturday morning, at the address below.

**Why not give us a try?** We are open 10.30am - 12.30. It is a great place to meet and make new friends, have a chat in a safe environment. If you are nervous about taking that first step, we will be happy to make you welcome and introduce you to others. We do not give you labels or put you in boxes, we try and treat everyone with respect.

**We have a monthly social** event in Bristol and try to put on an event at least every month, sometimes more often, with many different subjects, and venues. We have an active Website where lots of information is available.

**You can become a Member**, and for this you will receive a regular magazine and have access to the member only sections of the website, along with an individual Membership number and Password
